THE RIGHT PART IN THE RIGHT PLACE AT THE RIGHT TIME

The Coronavirus - Covid-19 has now spread throughout the United States

The Center for Disease Control and Prevention (CDC) Recommends the Following Preventative Actions:

- Avoid close contact with infected individuals
- Cover your nose and mouth when you cough or sneeze. Avoid touching your eyes, nose and mouth
- Clean and disinfect surfaces and objects that may have been contaminated
- Wash your hands often with soap and water for at least 20 seconds. If soap and water is not available, use an alcohol-based hand rub with at least 60% alcohol
- Common signs of infection include respiratory symptoms, fever, cough, shortness of breath and breathing difficulties. In more severe cases, infection can cause pneumonia, severe acute respiratory syndrome, kidney failure and even death

Center for Disease Control and Prevention

LED TRAFFIC CONE

COLLAPSIBLE

- 28" heavy-duty, safety cone has an 8-pound weighted base
- Collapses flat for easy storage in a car trunk, utility truck or tool box
- Quick and easy set up and take down
- Made of durable nylon with reflective 4" and 6" stripes
- Durable, heavy-duty ABS base with rubber feet
- Includes 2 blinking red, LED lights: one for the top of the cone and one to illuminate the inside of the cone (Replacement light Part No. 3404)
- Meets MUTCD specifications and NFPA 1901 standards; Section 6.7.3 miscellaneous equipment
- Lights require 2 AAA batteries each (Part No. 5356) included

Part No.	Description	Price
3405	Individual with Carrying Case	\$49.95
3406	3-Pack with Carrying Case	\$137.95

INSECT REPELLENTS

BUGBAND (DEET-FREE)

BugBand products contain Geraniol, a powerful (non-toxic) ingredient derived from geraniums, a natural and extremely effective insect repellent

- Proven effective in repelling a wide variety of insects, including mosquitoes, house flies, stable flies, horn flies, cockroaches, fire ants, fleas, gnats, dog ticks, lone star ticks and no-see-ums
- Natural (DEET-free) substance does not require EPA registration
- Geraniol is not a solvent and will not melt or cause damage to plastic, rubber or paint
- Nonflammable, so it can be worn with flame-retardant (FR) clothing without compromising the FR rating
- Geraniol is a biodegradable ingredient that is safe to use and safe for the environment

WRISTBANDS:

- For medium and light-duty applications
- The pleasant smelling vapors from the plastic Bug Band form a protective halo around the wearer
- Not effected by sweat or immersion in water
- Works for up to 120 hours
- Can be stored between uses in the reusable pod (included)
- Can be used on wrist, hatband, belt loop, tool belt or shoelaces

PUMP SPRAY:

- For heavy-duty protection
- Contains no propellant, metered pump sprayer
- Dispenses as a fine mist
- Can be sprayed on clothing or directly onto skin
- Ideal around ankles, wrists or neck where insects tend to invade clothing
- Use for hours of insect protection

TOWELETTES:

- For heavy-duty protection
- Convenient, easy-to-use application
- Takes up very little space and can be stored in toolbox, tool pouch, glove compartment or pockets
- Allows for direct application on the skin
- Ideal for use on face and neck without over applying or anywhere spray application is not preferred
- Two towelettes per pack
- Can be folded and re-stored in foil container for future use

Part No.	Description	Price
8166	Case of 12 - Wristbands	\$59.95
8169	Case of 6 - 6 oz. Pump Spray	\$64.95
8164	Case of 50 - 8" x 6" Towelettes	\$69.95
8163	Pack of 10 - 8" x 6" Towelettes	\$12.95

GERMAY
CLEANER/DISINFECTANT

- A multi-purpose cleaner which cleans, disinfects, and deodorizes all hard surfaces
- Cleans, disinfects, deodorizes all inanimate environmental surfaces leaving them odor-free
- Contains no abrasives
- Inhibits mold, fungus, and mildew
- Foamy action clings to vertical surfaces

KLEEN FOAM
HEAVY-DUTY WATERLESS HAND CLEANER

No NEED To WET HANDS. Just dispense product into dry hands, rub until soil is dissolved and then wipe hands dry with a paper towel or rag. Unlike other products that claim to be waterless but leave behind a sticky film, Kleen Foam dries clean without water.

- Over 400 applications per 500 ml bottle
- Heavy-duty solution designed to be used with or without a water rinse
- Can be used as a protectant, apply to hands before work and let dry to leave a layer or protection on your hands
- VOC, NPE, Solvent and Petroleum-Free
- EnviroPure, environmentally friendly "Green" formula
- Biodegradable
- Convenient, compact, portable, foaming dispenser
- Odor Free Formula
- Naturally clear color
- Contains aloe vera to help moisturize skin

Part No.	Description	Price
9511	Case of 6 (500 ml. Bottles)	\$49.95

SANI-FOAM
FOAMING HAND SANITIZER

- Wall mounted dispenser system
- Alcohol Free, non-flammable
- Will not irritate cut skin
- Leaves hands cleaner, healthier and softer with repeated use
- Works in as fast as 15 seconds
- 1000 ml refill delivers more than 1,300 hand washes
- Easy to refill

9586

8144

STING
WASP & HORNET KILLER

- Use indoors or outdoors
- Residual action up to 4 weeks
- Shotgun valve, shoots a stream 20 feet
- Dielectric to over 47,000 volts
- Non-ozone depleting
- 20 fl. oz., 12 oz. net. wt.

Part No.	Description	Price
9458	Case of 24 Aerosol Cans	\$179.95
7607	1/2 Case of 12 Aerosol Cans	\$94.75
9907	1/4 Case of 6 Aerosol Cans	\$49.95
8435	Individual Can	\$8.95

CDC recommends washing hands with soap and water whenever possible because handwashing reduces the amounts of all types of germs and chemicals on hands. But if soap and water are not available, using a hand sanitizer with at least 60% alcohol can help you avoid getting sick and spreading germs to others.

DUE TO INCREASED DEMAND AND LIMITED SUPPLY ALL ORDERS ARE NON-REFUNDABLE AND NON-RETURNABLE

LIQUID HAND & SURFACE SANITIZER

- 70% alcohol solution
- Convenient table top hand pump, sold separately
- Helps reduce bacteria that potentially can cause disease
- For use for hand sanitizing when soap and water are not available
- Effective hand surface disinfectant

Part No.	Description	Price
95355	Case of 4 - Gallons	\$249.95
9504	Extra Pump	\$9.95

ALL SHIELD HAND AND SURFACE SANITIZER

- 70% alcohol by volume
- 8 oz. pump for easy and uniform dispensing
- Safe for skin and surfaces
- Small size for easy portability and storage

Part No.	Description	Price
95351	Case of 12 - 8 oz. bottles	\$149.95

AP HAN SAN

INSTANT HAND SANITIZER - FRAGRANCE FREE

- 60% Ethyl Alcohol by volume
- One step, fragrance free, instant hand sanitizer that kills the most common bacteria upon contact
- Acceptable for use as a hand sanitizing production and around food processing areas

BRUTE BOX™

INDUSTRIAL GRADE SHOP TOWELS

BRUTE XT PLUS™

- Extremely versatile, cloth-like, extra heavy duty wiper
- Suitable for any job, use for anything from a personal care washcloth to a heavy-duty cleaning cloth
- Perfect choice where an exceptionally strong, highly absorbent, reusable cloth is required
- Wipes surfaces dry, leaving no residue or lint, making it a perfect choice for delicate applications
- Highly absorbent in water, oil, paints and is even solvent resistant
- Great alternative to cloth towels – can be used as a single-use towel, yet sturdy enough to rewash and reuse
- **Compare to Kimberly Clarke Wypall X90 performance**

BRUTE BOX XT

- **Extra Tough** - Works like a rag on any job, will not rip, break apart or shred - stays strong even when wet.
- **Advanced Material** - Soft and absorbent, but strong enough to wring out like a towel over and over again. Use one until the job is done.
- **Lint Free Performance** - Excellent for use on surfaces and parts where lint contamination is an issue.
- **TIFCO's Highest Performing Towel** - Whether the job is cleaning, scrubbing or polishing, Brute Box will hold up.
- **Compare To Kimberly Clark Wypall X80 Performance.**

BRUTE BOX XA

- **Extra Absorbent** - Absorbs seven times its weight in water or oil for sponge like absorbency
- **Double The Thickness** - Double layers soak up and trap liquids, dirt and oil for rapid cleanup using fewer towels
- **Soft And Durable** - Outstanding softness yet durable enough to handle most shop messes
- **Compare To Kimberly Clark Wypall L40 Performance.**

TIFCO POWER CORDS

- Three conductor, round, extension cords conform to U.L. Standard #817 C.S.A. Type ST
- Also meets OSHA requirements for both indoor and outdoor use
- Flexible conductors made of extra soft annealed stranded copper, fully protected with tough 125 volt thermoplastic jacket
- Resistant to moisture, acid, grease and high temperature
- Uniquely striped in high-visibility, safety Blue and Orange
- Heavy 12 gauge, 125 volt, 15 amp, 3 conductor wire
- Type SJTW-A, resists deterioration from moisture and abrasion
- Rated for -50°F to 148°F. It is weather resistant for outdoor use
- Indicator plug's female end glows when the power is on
- Heavy duty "Strain Relief" keeps plug on cord

WIRE CABLE TIES

- Made of nylon 6-6 which is UL recognized and awarded a UL94V-2 flammability classification
- Sure-grip tab keeps tail from popping out while being threaded, then holds securely for final tightening by hand or tool
- Low profile head for attractive appearance while reducing snags
- Innovative pawl-design produces greater locking power and low insertion force
- Rounded edges reduce insertion force and surface abrasion
- Black ties are U/V resistant for outdoor use
